## Great People

### Deliver Better Work

After leading the highly-successful \$70 million vertical expansion to St. Catherine's Medical Center in Pleasant Prairie, **BEN KOSSOW, LEED AP**, is shifting to his new role as Division Manager in charge of our Milwaukee office. His background includes more than \$150 million in health care construction over the past decade in Milwaukee and throughout southeast Wisconsin. He has also delivered school projects

in Sussex and Jefferson, and various other commercial construction assignments throughout metro Milwaukee.

Ben is a Milwaukee School of Engineering graduate, with a bachelor's degree in Architectural Engineering, and a LEED Accredited Professional. **He was recently recognized as 2010 Project Manager of the Year by Wisconsin's premiere construction publication *The Daily Reporter*.**
