

5614 - 52nd Street
Kenosha, WI 53144

With offices in Milwaukee and Kenosha, Riley Construction provides Construction Management, General Construction and Design-Build services to school districts throughout southeastern Wisconsin.

Specializing in educational renovation, additions and new construction, Riley is committed to delivering excellence in construction services. We're proud to be one of Wisconsin's largest construction firms and strive to build long-term relationships based upon our tradition of humility, integrity, flexibility and initiative.

For more information about our services, please visit our website at rileycon.com or contact us directly.
