Kenosha Co. Public Safety Building Addition and Renovation

Kenosha, Wisconsin

- This 94,100 SF project involved a complex 60,400 SF, three-story addition and 33,700 SF of renovation within occupied space
- Added a modernized 911/Emergency Operations Center and information systems space, new evidence processing, additional administrative space and 32 underground squad parking stalls
- Maintaining public access and multi-agency coordination with the Kenosha County Sheriff's Department, City of Kenosha Police Department, Kenosha City/County Joint Services and Kenosha County Emergency Services Division was critical to the project's success
