RILEY CONSTRUCTION MOVES INTO TOP 5 SOUTHEAST WISCONSIN CONTRACTORS

KENOSHA, Wis. – (June 16, 2011) – Riley Construction edged into the top five southeast Wisconsin contractors list as compiled by *The Business Journal Serving Greater Milwaukee* in the publication's annual listing of the top 25 largest Milwaukee-area construction firms.

With annual revenue of \$100.3 million reported, Riley Construction landed at the number five position, up from the sixth position held over the past several years. Companies are ranked by annual construction volume from the previous year.

"In 2010 we were very fortunate to deliver a variety of projects from a diverse pool of clients in several markets, including health care, municipal, recreation and manufacturing," said Dave Riley, president of Riley Construction. "We are privileged to have many long-standing trusted relationships with our clients throughout southeastern Wisconsin that allowed us to complete several significant projects for them, while we also gained several new customers despite another challenging year in the construction industry."

About Riley Construction

One of the largest construction management and general construction firms in southeastern Wisconsin, Riley Construction is headquartered in Kenosha, Wis., with permanent offices located in Milwaukee and Lake Bluff, Ill. The company provides construction management, preconstruction design/build and general contracting services across a wide range of markets, including health care, municipal, commercial, industrial, public/recreation and education. Projects include new, expansion, renovation and restoration projects for a variety of building types and uses.
