Law Enforcement Skokie Police Headquarters Skokie, Illinois

- New 79,000 SF, \$30 million police headquarters is a brilliant example of modern adaptive reuse applications for a blighted 136,000 SF industrial building.
- Features modern Emergency Operation Center/911 dispatch; evidence processing; 14 detention rooms, three interrogation rooms and one mass holding room; and heated indoor squad parking for 35 cars with covered space for another 28 vehicles.
- State-of-the-art firing range, up to .50-caliber, with space to drive a squad car in to simulate shooting from the vehicle.
- Seeking LEED-Gold certification, becoming the first LEED police station in Chicago's North Shore and only the 4th LEED-Gold police facility in Illinois.
